

**ANM** is a conference series on Advanced Nano Materials held annually at the University of Aveiro, Portugal. 25<sup>th</sup> Edition ANM 2026 will be held from 22-24 July 2026 ( Both Virtual and In Person presentation) focusing on the following events:

- 25<sup>th</sup> International conference on Advanced Nanomaterials**
- 17<sup>th</sup> International conference on Advanced Graphene Materials**
- 17<sup>th</sup> International conference on Hydrogen Energy**
- 15<sup>th</sup> International conference on Advanced Energy Materials**
- 11<sup>th</sup> International conference on Advanced Magnetic and Spintronics Materials**
- 12<sup>th</sup> International conference on Solar Energy Materials**
- 10<sup>th</sup> International conference on Advanced Polymer Materials and Nanocomposites**
- 1<sup>st</sup> International conference on machine learning and nanotechnology**

**Past ANM conferences were held at:**

- University of Aveiro, Portugal (2025)
- AEM2024 London (2024)
- University of Aveiro, Portugal (2024)
- University of Aveiro, Portugal (2023)
- University of Aveiro, Portugal (2022)
- Imperial College, London (2022)
- University of Aveiro, Portugal (2021)
- University of Western Australia (2019)
- University of Surrey, England (2019)
- University of Aveiro, Portugal (2019)
- University of Western Australia (2018)
- University of Surrey, England (2018)
- University of Aveiro, Portugal (2018)
- University of Surrey, England (2017)
- University of Aveiro, Portugal (2017)
- University of Surrey, England (2018)
- University of Aveiro, Portugal (2016)
- University of Aveiro, Portugal (2015)
- University of Aveiro, Portugal (2014)

----

**Journals supported special issues (Past and present):**

International Journal of Hydrogen Energy, Energy Storage, Electrocatalysis, Nanoenergy Advances, Materials proceedings, Polymer international, Journal of Applied physics, Applied Surface Science
